JESUS GIVES LLP A HIGH 5

Listen Love Pray celebrated a milestone this year. **5 YEARS!**

For 5 years, LLP has faithfully responded to the call of God. Fueled by the love of Jesus, our staff and volunteers navigated through challenges that cause many non-profits to close before their 2-year anniversary. During the Covid pandemic, we stayed flexible and reliant on Holy Spirit guidance, embracing online avenues that resulted in a divine multiplication of God's Healing Love as we were invited into homes around the country via Zoom.

The excellent work of the Foundation built a level of trust within the communi-

ty, resulting in the expansion of all of our programs, and being awarded 4 grants in the last 2 years. At LLP's annual volunteer appreciation picnic, the Board of Directors looked back at how LLP, a vehicle of Jesus' love, has not only survived but thrived. In the words of Vice-President Dennis Yocum, "I am literally amazed at how many people have been helped through LLP; helped with being made whole by discovering faith, hope, and love. It's just amazing to me that LLP could have that much effect, with God's help".

I can see the reflection of Christ's love in each face pictured in this edition. With

passion and commitment, these beautiful people tirelessly serve folks who need help and hope through **Recovery Ministry, Christian Education, Healing Prayer Sessions, and Evening Healing Services**. Our team also consists of everyone who has prayed, encouraged, donated, and blessed our efforts! With gratitude to God, and to the entire LLP team, I look forward with anticipation to the next 5 year journey with Jesus. To God be the glory.

Lucinda Nelson, Executive Director

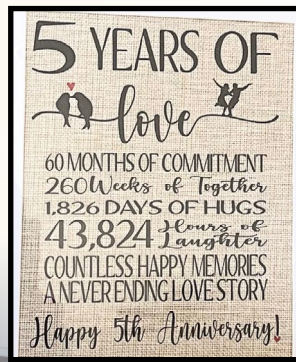

I have witnessed LLP work and heard countless testimonials. I've been sitting next to people (at the Tuesday healing services) that have asked for prayer and I have watched it come true. There is no doubt in my mind that prayer heals. I would recommend anybody that needs a prayer, no matter how big or how small your need, to attend an LLP healing service because it can be amazing.

Donna, LLP participant

LLP has been the most powerful ministry I have ever experienced. I wouldn't trade a day of it. I've been through all the training, and I didn't do it to become a volunteer. I came (to the LLP classes and programs) because I wanted to know - I wanted it for me. These last 5 years have been amazing, and I thank you, Listen Love Pray. You are awesome!

Dolores, LLP healing prayer minister

LLP helps me move closer to the healing power of Jesus. A while back I opened the Bible randomly to Acts 3 and found a lame beggar at the gate. The story told how the people picked him up and carried him to the gate so that he could be in the presence of the temple. Peter and John came and prayed for him, and he immediately was healed. That is how I feel about the people of LLP. They carry me to the place where I need to be - to be in the presence of Jesus where I am blessed and loved and find healing.

Personally, I've benefited from prayer for some health things as members of LLP have prayed for me. I've also benefited from attending the Tuesday evening prayer services. It's a very peaceful feeling for me and you would (discover that) too if you participated in some way!
