The Long Island Fencers' Club is a 501(c)3 nonprofit organization located in Suffolk County, New York with two (2) club locations; one at the Huntington YMCA and another at the Patchogue Family YMCA. The Long Island Fencers' Club needs your support for our "Fencers' Care Initiative". Each of us can perform a little magic without swallowing a sword! Donating your old fencing equipment can help give the gift of fencing to others while enjoying a tax deduction. The "Fencers' Care Initiative" is a need based program teaching the Olympic Sport of Fencing to children from the age of 8 to 17. A simple gift will help make a difference and leave a lasting impression upon a child in need.

The Fencers' Care Initiative is open to monetary contributions as well. Personal Checks are made payable to the Long Island Fencers Club. Please enter "Fencers' Care Initiative" in the memo section to insure your donation hits its target!

Fencing equipment donations may be dropped off during our club hours. For those not living local to our club location, but still travel to fencing tournaments. Send us an email at info at long island fencers' club dot com to coordinate your donation.

The following items of fencing equipment are welcomed; Body Cords, Chest Protectors, Electrical Weapons, Fencing Bags, Fencing Machines, Fencing Reels, Floor Cords, Fencing Jackets, Knickers, Lames, Mask Cords, Masks, Practice Weapons, and/or Under arm Protectors.

Thank You for your consideration and becoming a part of the Long Island Fencers Club's Fencers' Care Initiative.
