BOARD OF DIRECTORS

300

Healthcare professionals wore the SSEEEO BEFAST t-shirt for May Stroke Awareness Month

112

Stroke survivors answered the SSEEEO survey concerning mental health during the pandemic

WGN news featured SSEEEO rehabilitation pilot project with media placement nationwide resulting in a viewership of...

44

Masters of Occupational Therapy students obtained hands-on-learning while 12 stroke survivors received needed therapy, at no cost via a new SSEEEO rehabilitation pilot project

Survivors stated, "The young students were genuinely interested in listening to my journey in stroke recovery along with remaining challenges and struggles I face daily. One of my favorite aspects ... has been working on a strategy of what is important to me, like printing, cursive, playing the keyboard etc. and what I would like to continue to work on these skills with the hope of recovering additional fine motor skills" Kathy, stroke survivor

34.9 MILLION PEOPLE!

"The most valuable learning experience in class was working with SSEEEO stroke survivors" - MOT student

73 NEW MEMBERS AND 47 REQUESTS FOR RESOURCES AND SUPPORT

\$8,200

Raised by a WGN reporter who ran the Chicago Marathon to support SSEEEO
