

Listed are agencies, organizations and community resources. Please check with the post-stroke rehabilitation team about additional sources for assistance and support. Your local library, hospital, senior/community center, health departments and support groups also can help you to locate the resources you need. You can also access these resources at the SSEEO website at [www.sseeo.org](http://www.sseeo.org) or call 888-988-8047.
