Solomon@SolomonAcquisition.com

☆☆☆☆☆ *Company Summary* ☆☆☆☆☆

Solomon Acquisition Services International, Limited Liability Company delivers value-added acquisition and procurement support services to agencies responsible for executing complex and often sensitive acquisition requirements. Our team of experienced and resolute professionals offers clients much-needed staff augmentation along all spectrums of the acquisition life cycle. We deliver superb quality acquisition and procurement support in both unclassified and classified environments. Services include acquisition strategy development, acquisition planning, source selection assistance, contract administration, and contract close-out support. As part of its core mission, SASILLC actively engages in efforts to enhance business, leadership, and educational opportunities for students in local communities, including those of federally designated racial/ethnic minority groups.
