LETTER FROM THE EDITOR

It feels like a slow news season around the marina, and with dock renovations beginning very soon we're now wrapping up our extended fall season after the CPR course, Harley ride, Oktoberfest general membership meeting, and more these past two months.

Our local OORAH Regatta is coming Veteran's Day weekend -- rescheduled from August -- and will be our last activity here on the water for a while. We're supporting 2 teams representing our club. Come out and support as they sail at our home harbor, BBQ to follow! Our family is sad to have to miss this one.

Thank you to those who were able to support our Oktoberfest general membership meeting, elections, and BBQ, also, As you know our club is run on volunteer labor, and we are grateful to all who give time to keep events on the calendar. Josh and I were able to catch the recent Bareboat Charter clinic with Pat and Sue this month -- great information and encouragement there. We're looking ahead, planning for our first adventure and are thankful for folks who share their experiences.

Send in your photos and updates - pictures are a great way to spread the word.

Hope to stay connected this winter,
Jessica Halfpap & family
