Everyone is living in a day right now where most of them are living for self, the worship of self, the church of me, myself and I, so caught up in self that they never made it to a church today. So caught up in self today that they haven't shared the gospel with their neighbour, they're so caught up in self today that they can't even get beyond themselves, they're bound by themselves. But I say to you today, deny yourself. Deny those rights and privileges that you think you have, that you really don't have, it's really just a big illusion, it's a big deception, says the Lord, the devil puts on you today. I came to give you life and life more abundantly. I came to bless you coming in and going out. I came to make you the head and not the tail, above and not beneath. But it's going to cost you, you have to die to self today, live for Christ, live for Jesus, live for God, let the Holy Spirit have Lordship over you. Stop resisting the Holy Spirit and His work. Receive the Holy Spirit today. Get rid of self and receive the Holy Spirit, that's a pretty good deal, says the Lord. Get rid of self and receive the blessing going out and coming in. Get rid of self and receive being the head and not the tail in every situation that you're in. Above and not beneath in every situation you're in. Whatever you put your hands to do will prosper as a result of giving up self.
