

Prophecy by Tongues and Interpretation by Pastor Richard – November 27th, 2022

Now is not the time to be idle with your gifts and your calling says the Lord. Now is not the time to lay your gifts dormant, don't let them go dormant, says the Lord. I've given you these gifts to use for My glory. Stir up the gifts, stir up the calling, stir up the election, stop wavering between two opinions. Be hot, be hot, be hot, be hot, I'd rather have you hot, I'd rather have you cold, but I don't want you to be lukewarm, says the Lord.

Stir up the gifts, stir up the gifts of My Spirit. Speak in tongues, pray in the Spirit in all times, in every situation, pray like you've never prayed before. Stop leaning onto your own understanding, acknowledge Me in all your ways, I'll direct your paths, says the Lord. I am who I am, says the Lord, I'll never leave you, I'll never forsake you. Be obedient, submit yourself unto Me in all things. Utilize your gifts, step out into the anointing that breaks the yolks of bondages over people's lives; pray, pray, pray, intercede. Seek My face like never before.

I'm coming back soon, says the Lord, I'm coming back soon. I know there are so many mockers that mock that, they mock My second coming, they mock it, they mock it, they mock it. But I'm coming back soon. It doesn't change a thing, I'm coming back soon, says the Lord. Be ready, don't stand before Me, don't stand before Me having been lukewarm with your gifts and your callings. Stand before Me hot, on fire, on fire, filled with the Holy Spirit, on fire, on fire, on fire. Holy Ghost fire, baptisms of fire on your life, all consuming fire. That's who I am, says the Lord, I'm an all-consuming fire. Fire, fire, fire, burning fire, burning in you today, burning in you today, burning in you today, burning in you today, Holy Ghost fire, fire, fire, fire in the house, fire, Holy Ghost fire, fire, fire, fire.

The temple of the Holy Spirit is on fire today, a fire that can't be put out, can't be quenched. No devil in hell can quench the all-consuming fire. The only one that can quench it is you, you Christian. You're the only one that can quench it, you're the only one that can dampen it, you're the only one that can cause the fire to go out. Resist it, utilize the gifts, utilize the callings. resist it, resist it, resist it, be filled with the Holy Ghost and fire, utilize your gifts once and for all, stop wavering between two opinions; do I use them or do I not use them.

Use them, that's why I gave them to you, be stewards, be stewards of the gifts so that when you stand before Me, says the Lord, you'll stand before Me with clean hands and a pure heart, you'll stand before Me as a good steward that utilized the gifts and callings and the elections. You'll stand before Me with souls unlimited that have been saved, you'll stand before Me with signs, wonders and miracles that were performed in My name, you'll stand before Me with Holy Ghost conviction of sin and death and judgement to come, you'll stand before Me righteous, righteous, righteous, not a sinner, but a saint, righteous, righteous, righteous.

Strive for that today, strive for it, get rid of everything that is hindering it, says the Lord, strive after those things that mean for life and life eternal. Eternal life, says the Lord. This world is so temporary, it's passing away, says the Lord, but My word will never pass away, it will endure forever, and ever and ever and ever and ever. Stop worrying, stop wondering, just be praying, I'm coming back soon, I'm coming back sooner than you expect, says the Lord. Fire in the house, Holy Ghost fire in the house, keep it burning. Burning, burning, burning.
