

Prophecy by tongues and interpretation by Marjorie – March 26th, 2023

Yes, your house will stand, your house will stand, not because you've built it on shaking and shifting sand, but because you've built it on the Rock. You've built it on the Rock, Christ Jesus. Your house will not fall, you will not fall, though everything else is being shaken, everything else is getting battered, your house will not fall, it will stand. Those who have built their houses, their homes, their hearts, their lives on the things of this world will sink, they'll be shaken and the things they have built will fall. But your house will stand. And even as this house has stood the test of time even in this community, so you will stand, regardless of what's going on around, keep your feet planted on the solid ground, keep your feet planted on the solid Rock which is Christ Jesus and you will not fall, you will not fail. Keep building, keep edifying yourself in your most holy faith, praying in tongues, praying in the Spirit. Receive the refreshing of the Holy Ghost, receive the refreshing of My presence, receive comfort from the Holy Spirit as He comforts you as you pray in tongues.
