

Tongues and Interpretation by Pastor Richard – November 14th, 2021

I see guilt, guilt all over the body of Christ. Guilty. The body of Christ, guilty, those in the body of Christ, guilty, those who have put a stumbling block before My children, guilty. Time to repent today for having done so. Better to repent now than to stand before Me on judgement day, because then it's too late.

Don't be like Ananias and Sapphira who were all about self-preservation. Don't be like Judas. Don't be like Esau who sold his birthright for a bowl of pottage which he later sought for with tears, his birthright, but couldn't receive it, it would not be given to him.

There are those in My Body of Christ, who say, 'we are just doing this to preserve our job, we are just doing this to preserve our family, we are just doing this to preserve our church, there is nothing wrong.' Just like Sapphira, 'we did nothing wrong'. So many excuses in My body of Christ, so many excuses. So many, if they were to die today would stand before Me, guilty, guilty of sorcery, guilty of murder, guilty of lying, guilty of idolatry, guilty of having put a stumbling block before My children.

Time to repent, time to stop walking in self confidence, it's time to repent. It's time to give your life over, it's time to die to self, give your life over. Do not put stumbling blocks before My children, says the Lord. Do not allow your life to be a stumbling block before My children, says the Lord. Do not allow your decision making to cause My children to stumble. I am the Beginning and the End; I know the end of all creation.

Your innocence today will be declared by your actions. As you repent today of your sins, as you ask for forgiveness, your sins will be forgiven.

And there are those of you who are guilty by not speaking up when I've told you to speak. Fear has stopped many preachers today for speaking up, standing up and speaking the truth. Instead, they've allowed themselves to put stumbling blocks before My children.

It's time to repent, preachers, teachers, I've called you to say one thing and you've said another. You speak with a double tongue, you say to Me one thing and you say to another, another. You say, yes Lord, and then you don't do. You have to come out of fear into faith and speak, stand up, stand up for those who are oppressed and taken advantage of, stand up now like never before.

I'll be with you in times of persecution, I'll be with you when you're lied about, I will be with you, says the Lord, in times of trouble. But you must speak up, now. You must stand up, now. Be bold, be strong, for the Lord your God is with you wherever you go, don't be ashamed of My word, speak it, speak it to those situations, speak My word to those situations, expect change, expect change, expect nothing less and watch Me watch over My word to perform it, says the Lord.
