

Tongues and Interpretations by Pastor Richard – July 18th, 2021

The hearts of My people have grown dull, they're hard of hearing; deaf and dumb spirits have taken over them. It says in My word, that if My people who are called by My name will humble themselves and pray and seek My face, I would heal their land, but My people have been seeking the physician, My people have been seeking the voice of the leaders, the politicians, trusting in the leaders, trusting in the physicians to heal the land, to heal the body. Hard hearts, deaf and dumb spirits.

Strong spells of witchcraft are upon those that have backslid in My church, being led by familiar spirits instead of being led by My Spirit, says the Lord. Don't listen to their lies. They prophesy one thing and do another, they act contrary to what they even speak, says the Lord. They say they're prophesying truth but they operate in lies. They say that they're of My church, says the Lord; lies, lies, lies and more lies. Don't believe every spirit says the Lord, test the spirit with My word, says the Lord.

My word is the standard, why believe in anything else? My word is the standard, My word is the final yes and amen. Why would you look to the secular, why would you look to the physicians, why would you look to the politicians and reject My word, says the Lord? A more sure word of prophecy, a more sure word of truth. Oh, many say they're led by My Spirit, says the Lord, but their led by familiar demons, familiar spirits that lead them down roads of destruction. My word is a light unto your path, it's a light unto your feet. Why would you believe anything else?

Strong, strong witchcraft is on the church today, strong witchcraft is operating over the churches today, across Canada, across Alberta. They rejected My word in exchange for their word, says the Lord. They exchange the supernatural for the natural, which is their word, by not My word, says the Lord. Don't believe every voice, says the Lord.

When the Christians are removing My scriptures, when they're removing My scriptures from My Bible, says the Lord and they're accepting false teaching in exchange, saying that the supernatural doesn't exist any more, that the power of God in healing doesn't exist any more, that speaking in tongues doesn't exist any more, that healing the sick doesn't exist anymore; have they not been given over to familiar spirits, says the Lord, demons, lies? Oh, yes, they believe in Me, says the Lord, but they don't believe in My word, they've removed My word, My word, says the Lord, they've torn the pages right out, they've torn the supernatural power of My Holy Spirit out of My Bible and replaced it with rational, natural wisdom of man. Oh, the wisdom of man is foolishness, it's foolishness compared to the power of God. That's why I use the foolish things of this world to confound the wise. If you've torn out the pages from the Bible, says the Lord, you need to repent before you're given over to familiar spirits, deaf and dumb spirits, depraved minds, spiritually blind. Now is the day to repent, says the Lord.

My church is so backslidden, I don't recognize her. So backslidden, I don't even recognize her as My bride to be. So unfaithful, more sold out for the world, the flesh and the devil than she is for Me. Now is the time to repent, before it's too late, says the Lord. Because when I give you over to a depraved mind, there's no way back. No way back, says the Lord.

Get off the broad and wide and get on the narrow road, the broad and wide lead to destruction, the straight and narrow leads to life. Stop leaning on your own understanding, acknowledge Me in all your ways and I'll direct your paths, stop looking to the physicians, stop looking to the doctors, stop looking to the politicians, stop looking to the secular counselors. Look to Me, says the Lord, acknowledge Me in all your ways, I'll direct your paths. You'll be led by My Spirit if you obey Me, says the Lord, you will be led by My Spirit at all times and every situation you are in. You won't be led by familiar spirits, you'll be led by My Holy Spirit. My word will guide you, it's a more sure word of prophecy. Don't believe the lies out there that are being prophesied, false teachers prophesying, false teachers speaking My word. I'm a supernatural God, I walk in the supernatural, I operate in the supernatural. Expect the supernatural. Reject the natural and accept the supernatural move of My Holy Spirit, says the Lord.
