EXPERIENCE

Aldi Grocery Store, Cedar Falls, IA – Store Associate

MARCH 2024 - PRESENT

I currently work at Aldi, my favorite grocery store. At Aldi, I wake up before dawn and get to work on pallets until the doors open. Then, I do a variety of tasks, including online orders, cleaning, cashiering, and running the cooler and freezer. My favorite parts of the job so far are helping customers and the physical nature of everything.

Campaign Coach, Remote – Internship

JAN 2024 - APRIL 2024

I recently was part of a remote-based internship with the startup company Campaign Coach. I mainly worked on graphics and the website (www.campaigncoach.ai) using WordPress and tools like Divi and Elementor. I learned a lot during this internship, be it in the realm of web development, or in self-regulation, since it was my first remote job.

@UNI (TV Show), Cedar Falls, IA – In-class experience

JAN 2023 - MAY 2023

In my TV News class, I was a producer, writer, cameraman, technical director, and director. I also made Yonder Bend: a series of specials for the show, where I showed the viewer fun places to bike to in the Cedar Valley. @UNI was broadcast on Cedar Falls public television. This experience was very educational for me, especially when I had to rattle up guests myself, and write scripts filled with good interview questions.

Hy-Vee Grocery, Waterloo, IA – Gas Clerk

OCT 2021 - OCT 2023

I did a lot of things at Hy-Vee. I worked in the meat departments, in the back doing online orders, and on the floor at different stores to stock. I got things done quickly, but was no stranger to making friends. While stocking, I was complimented by people during night stock saying that, if I were there, it'd be a good night. In my final year and a half, I worked strictly as a gas station clerk, but my work ethic never left the main store!

Fareway Grocery, Waverly, IA — Grocery and Meat Clerk

JULY 2017 - APRIL 2020, FEB 2021 - OCT 2021

As a courtesy clerk at Fareway, I helped stock shelves, push pallets, woke up early for truck deliveries, and cleaned. I also helped customers out by bagging their groceries and helping them unload their bags into their vehicles, always making fun, casual conversation with them along the way.

Later on, I would move up to the meat department. There, I juggled multiple responsibilities: I was tasked with tending to customers, assembling specialty items for the counter, cleaning, facing, and dishwashing. Within my cast of coworkers, I was known for being a perfectionist when it came to cleaning, and a great voice for helping customers, going out of my way to help people get what they need.
