Getting set for Tidy Towns

Judging for this year's Tidy Towns competition will be taking place over the next number of weeks.

Renmore Residents' Association has entered the area in the competition and the environmental sub-committee of the association is asking all residents to keep their area clean and tidy and free from litter.

Many households enter their own gardens individually in the competition, and many people have received prizes and commendations in the past.

The association extends best wishes all entrants and appeals to those renting houses in the area to assist with the effort in keeping front gardens neat and tidy.

Golf Society

The July outing of the Renmore Golf Society which was to Galway Golf Club in Salthill took place yesterday, Thursday, and was sponsored by Fleetwood Paints.

Prizes for this outing will be presented tonight, Friday, in the Huntsman Inn, College Road at 9.30pm.

Soccer update

After a titanic battle on Wednesday evening, Renmore Masters defeated a brilliant and experienced West Utd Fc team to advance to Monday night's Masters Final in Eamonn Deacy Park.

The first half was an extremely cagey affair with some 'healthy' challenges from both sides. West created the better chances in the opening 45 minutes and Renmore had to rely on an excellent defensive unit as both sides went in level at the break.

Renmore's strength and depth showed and within minutes of the restart they took the lead. A flowing move starting with Alan Nolan and involving Bomber Noone played in Martin Place who flicked on the ball on to Derek O'Brien who finished it off beautifully.

began to dominate proceedings. Renmore again relied heavily on Martin Greaney's safe hands and the titanium foreheads of Gannon and Howley to get them through a sticky patch.

Just as West looked dangerous and the more likely to score, up stepped Derek O'Brien. Picking the ball up on the half-way line, he burned past two West defenders on the wing before cutting in and curling a beautiful effort into the far corner for one of the best goals seen in Renmore for a while. After that moment of magic, the home side took advantage. Gibney played in the excellent Martin Place and he squared it to Paul Shiel who made no mistake to seal the win.

This was an excellent team effort with notable performances right across the park. Derek O'Brien was Man of the Match, just edging out Martin Place. Eoin Noone, Alan O'Boyle and Coley Ridge put in typical quality performances and Sean Kilroy worked tirelessly throughout along with Kelly Ryan, Martin Keady, Ronan Sheridan and Adrian O'Neill.

Hats off to West who were very gracious at the final whistle after a tough battle. Eamonn Deacy Park awaits on Monday at 7.15pm as the lads look to take the title! More details to follow.
