alone at the far post to side foot home. Conneely had another chance to seal the contest but he fired wide as the goal beckoned.

Villa despite an amazing slump in form had their chances and twice Martin Greaney had to be at his best to deny Monty Heneghan and John Ger Gibsey.

They pulled one back nine minutes from time when Joe Doherty released Vinny O'Malley and he finally got an effort past Greaney. Despite some late pressure Renmore held on and increased their lead at the top of the table.

**ST. BERNARDS .....1**  
**WEST UNITED ..... 5**  
**THIS was a six pointed as the bottom two sides faced one another in Abbeyknockmoy. St. Bernards on five points and West with just one both needed the points as they were becoming more isolated at the foot of the table.**

An early goal from Tommy Carton made it advantage St. Bernards, but when he collected his second yellow card to earn a dismissal, matters began to balance out.

With John Dunne and Ger Rabbitt both foiled by West's Mike O'Toole and Alan Grant been denied by Mike Collins at the other end the prospect of further goals looked sparse.

However, just before the interval Alan Grant provided the cross and a Joe O'Toole header tied it up at 1-1. With both sides enjoying a fair amount of possession the late four goal blast from West really turned the game on its head.

William Grant put them ahead with a tap in, before the forever busy and threatening Tommy Keane made it 3-1. Rampant at this stage Alan Grant finally got a reward for his efforts with the fourth goal and Thomas Griffin making his own space cutting in from the right before firing the last past Collins.
