2023 WSU SCHOLARSHIP RECIPIENT

March 31, 2023

Dear Richland Kennel Club Members,

My name is Brynne Udy, and I am a third-year veterinary student at Washington State University. I would like to sincerely express my gratitude for your generosity in funding the Richland Kennel Club Scholarship that I am humbled to be a recipient of. This scholarship will help me to continue prioritizing my education in order to become the best practitioner that I can be.

I grew up in Sandy, UT, and I plan to practice in Utah after graduation in order to be close to my family and stay surrounded by Utah's beautiful mountains and amazing community. I love doing anything outdoors such as mountain biking, rock climbing, skiing, hiking, and camping. Some other hobbies that I enjoy during my free time are playing the piano, disc golfing, as well as learning Spanish. I am excited to start my clinical rotations in just a few short weeks so that I can apply all of the information that I have been learning the past three years and start positively impacting the lives of animals and their handlers. After next year, I am looking forward to taking the next step into becoming a general practitioner, as I will continue to push myself to learn every day and create genuine and fulfilling relationships with my clients and patients.

Your generous donation towards my education will truly help me make a big impact in the veterinary field after graduation and give back to my community. This scholarship will enable me to give my undivided attention to becoming the best veterinarian that I can be without the added stress of working through school. I have always tried to minimize my spending in order to graduate with as little debt as possible, so this scholarship is very much appreciated because it will help reduce my debt, my stress, and it lets me know that I have support from those within my profession. Thank you for helping me reach my fullest professional potential.

Warm regards,
Brynne Udy
