*Speech Introduction for*  
**DR. ROLLAN ROBERTS**

Dr. Rollan Roberts is a 2024 Republican Presidential candidate, President of the [U.S. Center for Diplomacy](#), and founder of [Righteous Nation](#).

He is an advisor to Presidents and nations on matters of governance, national security, entrepreneurship, education, and water. Dr. Roberts is one of the primary American editors of Ukraine's new Constitution and Advisory Board of the Africa International Chamber of Commerce & Industry.

Having been an expert on cybersecurity and Artificial Intelligence Defense Systems, he was nominated to the Central Command Civilian Task Force for the U.S. Department of Defense and appointed to the U.S. Delegation to South Sudan where he assisted with the stabilization of the transitional to permanent government.

Dr. Roberts addressed China's government on the U.S.-China Trade War and Intellectual Property theft in the Great Hall of the People in Beijing, China, keynoted Bloomberg's Year Ahead Conference, addressed world leaders at Harvard University, and led technology, manufacturing, and consumer goods companies throughout his corporate career, including being the CEO of the Hoverboard company, the best-selling product globally in 2015.

Please welcome to the stage, Dr. Rollan Roberts!
