Classroom Supplies

1 each backpack or tote (Please teach your student to put money in a safe place within their bag until it's needed.)

1 each Bible (Please use the one you have.)

1 each pencil box/bag

1 each permanent marker (thin tip) to put their name/initials on their items.

1 each 1"- 3 ring binder preferably one that has the clear pocket on the front cover. Color doesn't matter. (This holds info/notes for each subject.)

3 packs wide rule notebook paper

1 each 1 1/2" – 3 ring binder for Alabama State Notebook
(preferably one with the clear pocket on the front cover)

2 packs of 25 each #2 wooden pencils (NO MECHANICAL
PENCILS—sorry!)

1 pack Cap Erasers (2 packs if your student likes to tear-up
erasers-Trust me, I see it all of the time.)

Pens Are Not Required (However, some students think it's so cool
to use pens.) **They must be ERASEABLE!** Blue/black pens for
classwork. Other colors that are eraseable are fine for note taking
etc. Please no exceptions. Why? Eventually, these pen-loving
students use them on tests/quizzes/projects so being able to
erase is very important.

Please Do Not Buy (Unless you just feel the need too.)

**I have things like markers, colored pencils, rulers,
scissors, liquid glue, some glue sticks, dividers, oil
pastels, highlighters, and sheet protectors.**
