

Kick Off Summer with Advent's Really Big Yard Sale & Silent Auction

May 29, 2013

Join us for some great bargains and homemade food at our Really Big Yard Sale & Silent Auction on Saturday 1 June! Held from 8:00-2:00, the huge indoor/outdoor event includes numerous yard sale tables and a children's room, in addition to vendors such as the Advent Jewelry Ladies.

This year's silent auction of new, gently used, and collectible items features a tile-top dining set and other furniture, a porcelain doll, Holiday Creations' retired collectible Carousel (which retails for more than \$150), complete dishware and fine china sets, high-end baby items, computer equipment, and much more.

Advent's popular bake sale includes home-baked goodies to munch on while you shop. The loaves of Nisu always sell out, so come early!

New this year at the Chuck Wagon are gourmet burgers with your choice of special toppings: New Mexico green chili, homemade guacamole, or sautéed mushrooms!
