

We Look Forward to Kicking Off the Holidays with YOU!

Thank you for your purchase of admission to our holiday movie spectacular, "Come Back for the Holidays." It will be a fun and festive evening, made all the merrier by your presence. Attached are more details on directions and parking. Below are some additional points to help your evening go smoothly:

Arrival Time: We will be ready to welcome your car for parking starting at 6 PM. If you wish to arrive earlier to shop or dine, please park elsewhere on the property, and then move your vehicle to the movie viewing area any time after 6 PM.

Admission: Enclosed you will find a hang tag for each car in your order. You must have these prominently displayed on your interior rearview mirror to be admitted.

Parking: There are two areas for parking - VIP and General. Parking is on a first-come, first-served basis in each section, so we encourage you to arrive early. If you drive a truck, SUV or other tall vehicle, please park toward the back of the lot.

Hatchbacks: If you have an SUV, we request that you do not pull into a space backwards and open the hatch. This blocks the screen for those behind you.

Safety: This event is safest when viewed from inside your vehicle without walking around and visiting. Please observe the current CDC safety guidelines to ensure that everyone has a safe evening.

Sound: Audio for the event comes from an FM radio transmitter. Instructions will be projected.

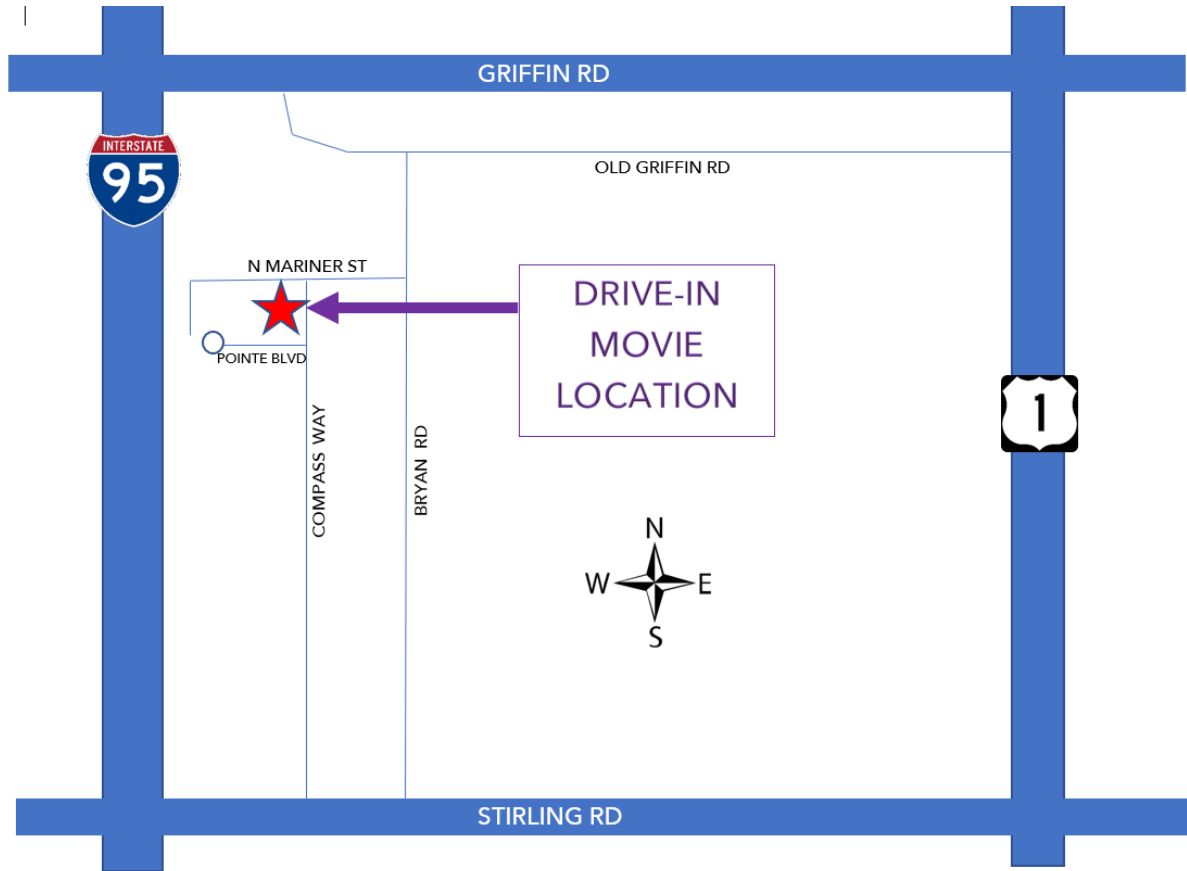

Children: If you are bringing children with you, please be mindful of the experiences of others and do not allow them to run around and disrupt the event.

Restrooms: Facilities are located on the other side of the parking deck at the foot of the escalator outside of Bowlero, the bowling alley.

Dining: Please visit www.daniapointe.com and consider one of their many wonderful onsite restaurants for your evening's meal.

THANK YOU! WE WILL SEE YOU AT THE MOVIE!

DIRECTIONS

DANIA POINTE
139 S COMPASS DRIVE
DANIA BEACH, FL 33004

From I-95:

- Exit Stirling Rd (FL 848)

- The drive-in lot is ON THE LEFT, next to the parking garage. Look for the screen in the grassy lot on the corner of Pointe Blvd and Compass Way
- You will see traffic attendants to guide you to the event

ADMISSION

Before you arrive at the event, please display your hang tag on your rear-view mirror so that it can be plainly seen. You cannot be admitted without your hang tag. It is your official ticket for the event.

HOLIDAY CAR DECORATING CONTEST!

We invite you to add lights, wreaths, and any other legal car decoration to your auto when you attend the movie event. We have judges who will be on the lookout for something really special, and the winner receives an amazing gift basket from Seminole Hard Rock Hotel & Casino in Hollywood.

There will be one prize given for the weekend. The winner will be announced by notifying guests of the license plate of the winner in an e-blast and social media. Please be sure you watch both for an announcement within one week of the event. The prize cannot be delivered and must be retrieved at the Chorus office at The Pride Center at Equality Park. For more information, please contact: Mark Kent, mkent@gmcsf.org
