**ASM 1675 Faithful Navigator Message – May 10, 2023**

Sir Knights,

We had such a great day at the Tavares VA on Friday the fifth. It seems like it gets more receptive every time we go; they are really getting to know us when we walk in. Thanks to Tim for making the coffee, and to Chris for dropping it off when needed. Thank you to Art, Duane, and Tony for being there and representing us with me. Huge thank you to Tony for bringing the leftover donuts to the Open Door for the homeless. More will be said at the meeting tonight.

Great time at the Habitat restore in Leesburg today. This will be our last one of the year. The director Carlos will be contacting us when they are ready to start back up. They love us and are so appreciative of getting fed and having some fellowship. The college students are very attentive to hearing about the Knights of Columbus and get a better perspective of what we stand for. This time we served Ohio State University along with a few other volunteers and staff.

We ended up with exactly the amount of food needed, it worked out perfectly.

Thank you once again to Chris for bringing the grill and the condiments needed,

Tony for bringing the tables and setting up everything, Doug for cooking, Art for flipping burgers, and mind you there were so many compliments as well such as, " these are the best hamburgers I've ever had...". It was so wonderful to hear. Thank you to Duane for googling the address and finding his way... Thanks to Ray for participating as well. I love you guys. It is truly an Honor to serve with each one of you, and being your Faithful Navigator. I am very blessed.

Our regular meeting is tonight at 7:00 pm, and we will be discussing a few more ideas I would like to vote on. Also, directly after the pledge of allegiance, we will drape the charter for 2 fallen knights : SK Everett Warzecha council 5644 and SK Richard Bowersox council 5644; now they are with our Lord Jesus Christ in eternity.
