

The Jungle Bird Myers's Single Barrel Select

Buffalo Trace Master Blender, Drew Mayville, aged this Jamaican rum for five months in Sazerac Rye barrels before it was selected by the crew here at the Jungle Bird.

This extremely limited offering has a smooth entry with a sweet taste from sugar cane, dark red fruits, prunes, caramel, leather, and a subtle nuttiness. It also has a decadent dark chocolate finish with brown sugar, underlying oak notes, and a bit of smokiness.
