**Integrated Data Consulting, LLC's
Jeff Filippi
Featured Presenter at 2010 IIUG Informix Conference**

Integrated Data Consulting, LLC is pleased to announce that Jeff Filippi (President) will be a featured speaker at **the premier user-run educational forum for IBM Informix database technology users**, 2010 IIUG Informix Conference April 25 – 28th in Overland Park, Kansas.

Filippi's session, "Implementing Informix SDS (Shared Disk Secondary) Tips and Tricks", is one of many education sessions offered at the 2010 IIUG Informix Conference. Speakers were selected from a competitive pool of hundreds of submissions by some of the most talented minds in the Informix community.

For additional information about IIUG and its educational and membership offerings, please visit the IIUG Web site at www.iiug.org. To learn more about 2010 IIUG Informix Conference and to register, please visit www.iiug.org/conf/.
