BY YOUR DESIGN

By Dustin Samuel 10/12/2007

<u>VERSE 1</u>
Em7–C2   **G2–D**
    It's so easy to live life,   just how I want to
Em7–C2   **G2–D**
    It's so easy to ignore You,   except when I need You
Em7–C2   **G2–D**
    My life is unmanageable,   but I keep on striving
Em7–C2   **G2–D**
    I'm told I can make it thru,   this world just keeps lying

    <u>PRE-CHORUS</u>
    Am7   **Em**   **D**   **Am7 Em**   **D**
    Oh I need You to appear,   and wash away all these fears

    <u>CHORUS</u>
    D/B   **C2**   **D/B**   **C2**
    Lord I surrender,   I give You all of me
    D/B   **C2**   **Dsus**   **D**
    Lord, I give up my control to let Your kingdom come in me
    D/B   **C2**   **D/B**   **C2**
    Lord, I let go now,   of everything that's "mine"
     D/B   **C2**   **Dsus**   **D**
    I'm holding on to Your word, I will live by Your design
    Am7   **Em**   **D**   **Am7**   **Em**   **D**
       By Your design,   Your will, not mine

<u>VERSE 2</u>
Em7–C2   **G2–D**
    I've given my heart away,   to so many other things
Em7–C2   **G2–D**
    I've traded Your presence for,   songbirds that never sing
Em7–C2   **G2–D**
    My life without you is a train wreck,   a disaster unfolding
Em7–C2   **G2–D**
    This world says "just medicate",   it just keeps on lying

    <u>PRE-CHORUS</u>

    <u>CHORUS</u>

    <u>ENDING</u>   By Your design,   Your will, not mine
