

# MOVE IN ME

By Dustin Samuel 7/30/2007

## VERSE 1

A2 F#m Bm7 E  
I embrace Your trials, Lord, I say "yes" to cleansing fire  
A2 F#m Bm7 E  
I welcome all the suffering, break me down to take me higher  
D A2 F#m E  
I rejoice in Your magnificence in the midst of all my flaws  
D F#m E  
And I lay down my significance to pick up Yours

## CHORUS

A2 E D  
So I stand – my arms outstretched to praise You  
A2 E D  
And I fall – my heart bowed low in gratitude  
A2 E D  
Lord, I walk – surrendering my days to you  
A2 E D  
And I wait – I won't let go until You move  
Bm7 E F#m E D Bm7 E A2  
So let me see You move, and move my unbelief, oh Jesus, move in me

## VERSE 2

A2 F#m Bm7 E  
You never promised "easy" Lord, just that You would provide  
A2 F#m Bm7 E  
You never show tomorrow, God, You implore me to abide  
D A2 F#m E  
I believe Your definition of success is faithfulness  
D F#m E  
And I believe I give up my good to get Your best

## CHORUS

## BRIDGE (written 1/22/2008)

C#m F#m Bm7 E  
And it's Your power that gives me strength

But it's my acceptance that releases Your power in me  
(will to say yes)
