## Specialty Services

CND's Shellac is the first hybrid nail color that applies like polish, wears flawlessly for up to 14 days of high gloss shine, and removes in minutes. You won't have to worry about chipping a nail on your special day. We also carry OPI and Gelish brand shellac polish.

French polish +\$4.00

NovaLash Lash Extensions are a glamorous new way to extend the length and thickness of natural eyelashes, and are a practical, convenient and beautiful alternative to the daily use of mascara. Unlike decades-old, traditional false lashes, lash extensions are the first innovation in lash lengthening that can be worn daily, without nightly removal. Because each tapered, synthetic lash is bonded to a single natural lash, the final result is of effortless glamour and difficult to detect even close up.

Full set American Volume \$310.00  
Relash American Volume \$108.00+  
Full set Classic \$280.00  
Relash Classic \$93.00+

Lash Lifts are offered as a "perm" for your eyelashes. Unlike lash extensions, lash lifts simply alter the shape of your natural lashes. In roughly 45 minutes, your lashes will get a "boost", giving them height and noticeable length. Lash lifts are permanent for the full natural lash shedding cycle, which is typically 6-8 weeks\*. When the lift is fully grown out, you are ready for another lift! Add a Lash Tint to accentuate pale lashes.

\*Results typically last 4-6 weeks, but MAY last longer.

Lash Lift \$61.00  
Last Tint \$23.00
