

Trailblazers Outdoor Adventure

Who Are We?

Trailblazers Outdoor Adventure provides opportunities for members to take part in many types of exciting outdoor adventures year-round such as camping, hiking, backpacking, mountain biking, snowshoeing, skiing, shelter building, canoeing and much more...

Manitoba has a variety of landscapes from prairies to rolling hills and from lake to desert-like environments; there are many adventures that awaits your exploration! We have events every week with overnight camping typically every second weekend year-round.

Mission Statement:

Document the beauty of Canada's four season wilderness, while highlighting the importance of environmental sustainability, climate change and our ability to adapt. This group prides itself in the joy of exploring the outdoors with the ability to accomplish challenging terrain through self-determination, trust and cooperation.

What You Need To Know: All events are photographed and some are video recorded weather permitting.

SAFETY: Please understand these are group events, which means you must stay with the group, look out for each other's well-being and participate.

LEVEL OF SKILL: We encourage members to participate in city events prior to a backcountry for physical and mental conditioning, and when testing new gear. These events prepare us for day hikes and backpacking. As a result, most out-of-city events requires an intermediate skill level as we traverse challenging terrain such as hills, forested areas, and long distances.
