ABOUT BAS

BEAT ALL SPORTS ("BAS") have been established for over 80 years, being one of the pioneers of the sports good manufacturing industry.

BAS specialises in top quality cricket equipment, and is world renowned for the careful craftsmanship with which it manufactures cricket bats and other equipment.

BAS is the choice equipment manufacturer for a number of current international players including Reeza Hendricks (South Africa) and Darren Sammy (West Indies). BAS has also over the journey provided equipment to some of the games greats including Sachin Tendulkar, MS Dhoni, Hashim Amla and Paul Collingwood.

BAS is also the official equipment supplier to the Caribbean Premier league where BAS clothing, equipment and balls are being used.

The BAS cricket range has something to offer for cricketers at every level, from the backyard to the middle of the MCG, and includes not only a range of amazing bats, pads and gloves, but also covers a wider range of accessories as well.
