THE V STORY

THE V DEVELOPED OUT OF AN IDEA AND A NEED FOR EXTRA BATTING PRACTICE FOR CRICKET ENTHUSIAST PETER ROBB'S TWO CRICKET MAD BOYS.

THE KEY TO THE DESIGN AND FUNCTION OF THE PRODUCTS IS THE V SHAPED NET.

THE V NET DESIGN, NOW INTERNATIONALLY PATENTED, ENCOURAGES AND STRENGTHENS PLAY IN THE V. PLAYING IN THIS ZONE IS THE CORE TECHNICAL STRENGTH OF THE WORLDS BEST BATSMEN.

THE V IS COMMITTED TO DEVELOPING AND EVOLVING PRODUCTS, WITH A FOCUS ON EASE OF USE AND ENHANCEMENT OF FUNCTION.

DESIGNED FOR INDOOR AND OUTDOOR USE AND ENABLING PRACTICE ON YOUR OWN, THE V ENSURES THE FAST TRACKING OF A BATSMAN'S DEVELOPMENT.

THE V IS COMMITTED TO GIVING BACK TO JUNIOR CRICKET.

BRAND AMBASSADOR

BRENDON MCCULLUM

"This is the best individual training routine a player can utilise. The repetitive motion and precise ball return means hours of practice can be squeezed into a short coaching drill. Every keen cricketer, from beginner to first class players should have one."
