

HSV Lady Duffers Golf League

July Newsletter 2023

Hello Lady Duffers,

I hope this message finds you well! Happy, happy Fourth of July! Best wishes for special times with family and friends. And safe travels for those venturing out of The Village.

This time of year, please remember to hydrate - beginning the day before play as well as during and after. This heat can catch up with us. Nice to be out of the rain and mud—right?

We welcome our most recent new member Sophia Harrell. So glad you have joined us. I know you are in good hands with your Duffer Buddy and will soon have a group of new golfing friends. If there is anything the Lady Duffer board can help you with, please reach out. We are here for you.

We have a number of Duffer social events coming up!

Save the Dates:

Member/Guest Scramble- Wednesday, August 16 (Rain date-August 23)

Member/Guest Picnic- Thursday, August 24 * Old Fashioned Cookout!*

Crush Cancer Scramble- Wednesday, September 13 (Rain date-September 20)

Village Walk for Cancer Research- Saturday, September 30th.

On September 13th, there will be a Lady Duffer silent auction to raise funds for crush cancer. If you have gently used items that someone else might really enjoy, consider donating to Jann Grace. Her committee will put the baskets together. Items do not have to be golf related.

Hope to see you on the course! Have Fun!

PLAYING READY GOLF

Ladies, Again, a Gentle Reminder!!

Coronado Golf Course, 9 holes, should ideally be played in **under two hours**. This is our goal!! Currently it is taking us closer to three hours. Given the heat we **really** need to play Ready Golf. Suggestions include:

- Take **one** practice swing.
- Between tee off to green, players should be ready to hit their ball, **whether they are away (farther out from other players) or not**. Even on Par 3's. Most of us know how far we can drive. If there is no way you can hit into the team in front of you, meaning they are all on the green and you can't get within 100 yards, go ahead and Tee off. Have your players who typically hit shorter go first The team in front of you does not have to be off the green. Another scenario is for Par 4's. The team in front of you is still in the fairway but you know you can not hit within 100 yards of them... go ahead and hit your ball, again having players with shorter drives go first.
- When a lost ball is NOT found after looking for no more than **two minutes**, the player drops another ball near the point it went out (no closer to the hole). Take one stroke penalty.
- When carts are restricted to the path, players should carry three clubs to the ball: the one they believe to be the best one, one above and one below.
- Carry extra tees, balls and markers at all time during play.
- Move to the next tee box before announcing/recording scores.
- Enjoy the game! Enjoy one another! Do MOST of your socializing before and after play. We arrive 45 minutes before we tee off—right?! And Caddies is a great place to stay for a bit; have breakfast or lunch, or just hydrate and brag on one another!

where in the world and feel like they belong, especially in HSV, AR, and of course to have fun and enjoy the game of golf. The program is open to all juniors 8 -18 years old. No one is turned away due to family financial hardships. There is an outstanding scholarship program. As of 2022, \$2,200 individual scholarships have been awarded to over 70 junior golfers.

Lady Duffer volunteers are still needed on Thursdays, at Coronado, to drive carts and help these young people learn basic golf rules, fundamentals, etiquette and hopefully a love for the game! Tee times for the 9 & 18 hole players start at 9 am; 5 hole players start approximately at 10 am. Teresa Miceli is our Lady Duffer Chair for junior golf this year. Please contact her if you would like to volunteer and remember to turn in your volunteers hours. They count! (teresamiceli@live.com; 501-209-0790)

Reminder: No practice or play, July 5 or 6.
