

## *Book Marketplace Net*

Authors often publish a book, which is immediately lost in the sea of books on Amazon. It's not that readers are unavailable, but they can't find the books because they are also lost in the sea of Amazon. We are opening topic-specific websites and directing traffic toward them, providing connections for consumers to purchase books. It provides an ideal environment for independently published authors to be part of a high-quality website with dependable marketing options. Glorybound Publishing offers several low-cost professional marketing websites to help authors sell their bound books, e-books, audiobooks, and music directly to consumers. We do not take a commission on books sold. Sign up for 2 categories as low as \$10 per month.

## Book Marketplace Net Information

### The Mission

Book Marketplace Net website was created by Sheri Hauser, owner of Glorybound Publishing, to provide a way for authors to release their works.

### Books Going Nowhere

Authors are releasing their books on KDP [through Amazon], and discovering the title is quickly lost in the millions of new and used books on the website. Many are becoming discouraged wondering what to do next. They are thinking, "I know someone out there will be happy by reading my book, but I don't have what it takes to get it into the main marketplace."

### The Base of it all

Sheri Hauser began writing in 2001. After some time, she opted to start a publishing company. Over several years, it grew to release more than 700 books for many individuals. Our goal is to have 10,000 hits per month within 6 months. We will keep you posted on the progress if you sign up to receive our emails.

### How to get Your Book on This Website

Book Marketplace Net is specifically intended for the release of wholesome family oriented material. The process for getting the work on the website is to fill out the paperwork and pay for the desired level [There are three levels]. The cover of the work will be placed on the website under the appropriate categories with a direct link to book sales. The Amazon link will be provided if the book is sold on Amazon. We do not sell books, audio, or music on our website but offer links to sales. We take no commission from sales of books which are shown on the website.
