

MARCH 2023

DEER RUN NEWSLETTER

DOG WASTE:

There has been a lot of dog waste noticed in front yards. **PLEASE** remove your dog waste.

HOUSE BILL 1137:

Have you heard of House Bill 1137? Your HOA Board has and is paying close attention to how it affects our HOA moving forward. Thankfully, we don't have many of the issues this new law is designed to resolve.

WATCH OUT!

As the weather gets warmer, our little neighbors come out to play! Please be sure to stop behind stop signs and to look twice before you go.

Spring is Snow Season

It seems like we've already had our fair share of snow, but typically March and April are our snowiest months! Just a reminder that on those days when it doesn't snow much, but you still need to shovel, you have neighbors that would love to help. Add your name to our list of neighbors that would like help, so we can be sure your walkway/driveway gets shoveled! You can reach out to any board member or just shoot us an email at hr@deerrunneighbors.com.

Likewise, if you would like to be added to our list of helpers, please let us know!

March 17th

Save the Date:

We have had requests to bring back the neighborhood picnic and THIS summer it is happening! Please save the date of Saturday, August 19th, tentatively 1:00 p.m. More details coming as we get closer to August.
