

Congratulations on taking the next steps to higher education! The Pend Oreille Players Association wants to award our graduating seniors for their excellence in the performing arts by providing the opportunity to apply for our POPA Youth Scholarship Program.

The Pend Oreille Players Association will nurture, inspire, educate, and entertain the people of the Pend Oreille Valley by providing opportunities to experience all aspects of the performing arts. If you feel that you embody this mission, we encourage you to apply!

For years, POPA has had the privilege of granting scholarships to our youth volunteers. The individuals who have been awarded our scholarships in the past have received training in acting, technical design, costuming, stage makeup, props, set design, directing, stage management and even front-of-house ushering.

We are looking for applicants who embody good discipline, positive energy and who have shown a willingness to learn within our organization.

Again, we want to congratulate you on your future endeavors!

**Best of luck,  
Pend Oreille Players Association, Board of Directors**
