PET POLICY

RV Park is pet friendly and welcomes our guests who enjoy traveling and sharing their camping experience with their family pet. However, to ensure all guests have a safe and enjoyable time, it is important that you read and abide by the following pet policy:

Dogs and cats are allowed subject to the restrictions below. All other animals will be considered on a case-by-case basis, are subject to the applicable restrictions below, and must be approved prior to arrival.

Aggressive dogs of any breed are not welcome at our park. If your dog shows behavior that is protective and unfriendly to strangers, please leave it home. If you decide to bring your dog and it exhibits this type of behavior the owner or management of our park will ask you to please find other camping accommodations. While RV Park does not explicitly prohibit any breed of dogs, we do have policies against accepting certain breeds that have been identified by our major insurance provider as having a history of unfriendly and aggressive behavior to other dogs and to humans. These breeds include but are not limited to: Pit Bulls and Pit Bull mixes, Rottweilers, Chow, Great Dane, Bullmastiff, wolf breed hybrid, American Bulldog and Dobermans.

All pets are required to be always under the control and visual observation of their owner.

Each pet must be listed with its name on your registration with the office for easy identification should it get loose or lost.

There is a 2-pet maximum at each site.

All pets must be inside RV if guests are not in the park or not supervising them.

A 6' (six foot) leash rule is in effect whenever the animal is outside the pet owner's camping trailer and/or vehicle. No pet should be left tied up and unattended outside the owner's camping equipment.

No fencing, coral, animal container/crate, is allowed outside of the RV.

Allowing your pet to affect the enjoyment of other guests during the day or night will not be permitted and you may be asked to leave if you are not able to control your pet's behavior.

We encourage all pet owners to call in advance to inquire about any specific guidelines that might apply to their situation.

Service dogs are welcome at RV Park. However, these animals must follow leash restraint policies and may not exhibit aggressive behavior. Emotional support animals are not considered Service animals and will be considered on a case-by-case basis.

If you have an animal, make sure you have a signed pet policy on file in the office.
