

GLASSCRAFTERS INC.

2022 STANDARD MIRRORED CABINETS PRICE SHEETS

Price sheet includes, frameless and framed cabinets

Issued 6/1/22

GlassCrafters offers a non-beveled standard mirror or a 3/4" beveled mirror option for each of the five decorative framed styles. All cabinets feature rust-proof Satin Anodized aluminum construction. Each GlassCrafters' cabinet features Blum hinges and soft close cushions. All doors are precisely mitered eliminating plastic seals and vinyls. Decorative framed doors are manufactured with satin aluminum interior door frames to best complement our five decorative finishes. Surface mounted and semi-recessed cabinets require the purchase of side mirror kits.

NEW **MIRRORED CABINET ACCESSORIES**

- Customized Storage
- Reduced Clutter
- Enhanced Functionality

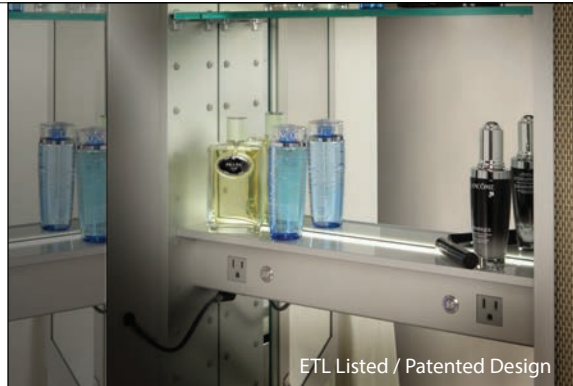

GlassCrafters' mirrored cabinet storage accessories provide convenience and enhanced organization. Storage accessory kits combine a cosmetic shelf for neatly storing brushes and mascara containers, a razor holder, and a magnet for holding metal tweezers and clippers. Accessory kits come standard with GlassCrafters' 4" and 6" deep mirrored cabinet offerings, not including GlassCrafters' Full-Length mirrored cabinets.

GlassCrafters' Mirrored Cabinet Storage Accessories are included with the following 4" & 6" deep frameless and framed Mirrored Cabinets: GC1624, GC1630, GC1636, GC2030, GC2036, GC2430, GC2436, GC3630-TRI, GC3636-TRI, GC4830-TRI, and GC4836-TRI.

Note: Storage accessory kit model codes are GCMCA-04-01 for 4" deep cabinets and GCMCA-06-01 for 6" deep cabinets.

Note: Product specifications and installation instruction sheets for all product models are available for download at www.GlassCraftersMirroredCabinets.com.

MIRRORED CABINET ELECTRIC OPTION includes 3X Magnification Mirror Accessory

ELECTRIC option features:

- 2 Electrical AC Outlets
- Integral LED Light
- Heated Door Defogger
- Illuminated Indicator Switches

Available with the following 4" & 6" deep frameless and framed Mirrored Cabinets including:

GC1630, GC1636, GC2030, GC2036, GC2430, GC2436

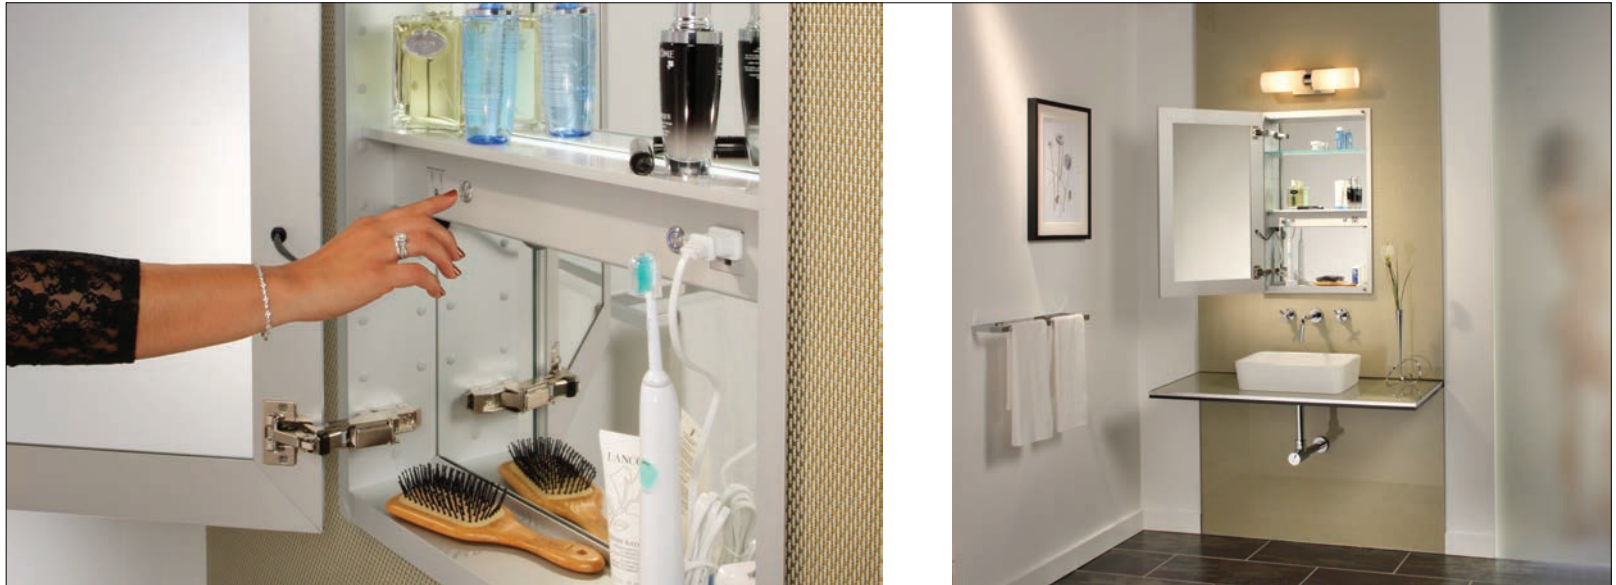

Not currently available for GC1624, Tri-View, Full-Length or custom size cabinets.

Pricing: Based on the desired cabinet model, add an additional \$389.00 to the standard Mirrored Cabinet list price for total cost of cabinet with Electric Option.

All Mirrored Cabinets with the Electric Option come with a handed door available with left or right sided hinges. (Add "EL" or "ER" to model code)

Refer to GlassCrafters' Mirrored Cabinet Electric Option installation instructions for all electrical requirements prior to purchase. Installation instructions are available online at www.GlassCraftersMirroredCabinets.com and with the purchased cabinet. All wiring should be done by a qualified licensed electrician.

MIRRORED CABINETS with ELECTRIC OPTION includes 3X Magnification Mirror Accessory

The above images feature GlassCrafters' GC2030-4-SC-BM-EL Mirrored Cabinet with Electric option and left side hinged door

2022 STANDARD WALL MIRRORS PRICE SHEETS

Price sheet includes, frameless and framed wall mirrors

Issued 6/1/22

Four choices of frameless wall mirrors are available to complete a horizontal combination of surface-mounted mirrored cabinets or as a stand-alone mirror to complement a hallway or powder room. The wall mirrors include all necessary installation hardware. When adding the frameless mirror to a combination of surface mounted cabinets, please refer to page 19 to add a glass shelf under the center mirror. Custom sizes available, consult GlassCrafters for size, price and availability. Note: All Wall Mirrors come equipped with hanging hardware attached. It is important to specify either a vertical or horizontal orientation when ordering Wall Mirrors from GlassCrafters.

VERTICAL LED TASK LIGHTS for recessed or surface mounted frameless mirrored cabinets

Features UL recognized components

Vertical LED Task Lights features:

- Linear illumination reduces shadows across face
- 2700 - 3000 Kelvin color temperature value (warm white light)
- Angled diffuser designed to project precise light towards user's face
- LED lamping is both energy efficient and longer lasting

GlassCrafters' Vertical LED Task Lights illuminate your daily grooming activities with energy efficient, optimal warm white light and integrate seamlessly into any decor. Providing a minimal, low profile design aesthetic, the 2 1/2" wide Vertical LED Task Lights are easy to install and complement GlassCrafters' 24" and 30" high, frameless flat or beveled mirrored cabinets.

Finish- White Acrylic Diffuser with Brushed Stainless Steel Cover Plates

Vertical LED Task Lights VTL 2.5" Width x 24" and 30" Heights - for 4" or 6" deep cabinets

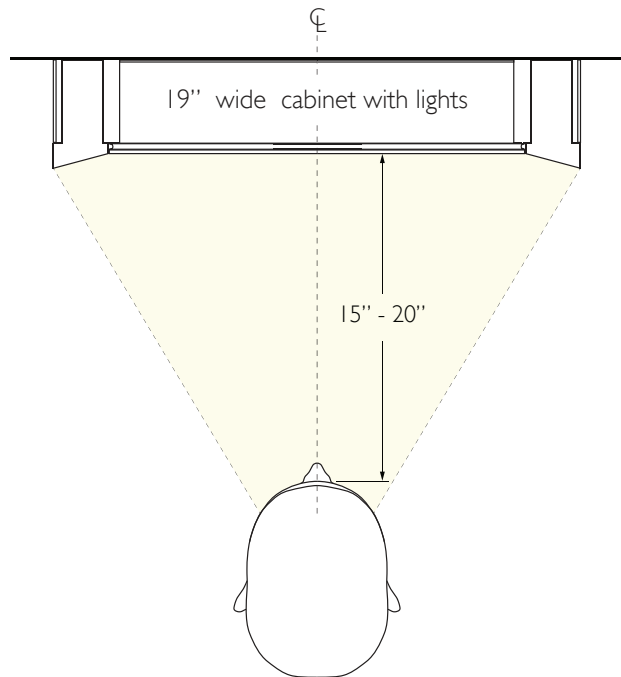

Overall Dimension Width x Height (per light)	Model	List Price (price per pair of lights)	
2.5" x 24"	VTL-24-001	\$649	Non-dimming
2.5" x 30"	VTL-30-001	\$699	Non-dimming

Modular lighting that attaches to side of cabinet. Add 4 3/4" to the width for all Rough Openings and Framing for cabinets with Vertical LED Task Lights.
 For Roughing-in Opening and Overall Dimensions, see the modified Roughing Dimensions shown in the Vertical LED Task Lights manual that are applicable to all cabinet sizes and models.

Note: Product specifications and installation instruction sheets for all product models are available for download at www.GlassCraftersMirroredCabinets.com.

Vertical LED Task Lights are not available in custom sizes.

VERTICAL LED TASK LIGHTS for recessed or surface mounted frameless mirrored cabinets

Providing ideal illumination for daily grooming activities.

1200k

4100k

2700k

5500k

GlassCrafters' lights range between 2700 - 3000 Kelvin color temperature.

Specifically designed to precisely project light at user's face, reducing shadows for makeup or shaving applications. We have found that **2700 - 3000 Kelvin color temperature** (warm white light) with a **color rendering index of 80-90** (for enhanced skin tones) provides the best environment for personal grooming tasks.

Note: Product specifications and installation instruction sheets for all product models are available for download at www.GlassCraftersMirroredCabinets.com. Vertical LED Task Lights are not available in custom sizes.
