CHAPLAIN'S CORNER

Chaplains Corner March 2022

Success!! Another group of Marines got their lives back, their future back, their peace of mind back, at FOCUS Marines. And members of our Detachment gave up much of their week to make it happen. Unselfishly. THAT'S what the "pure religion" in the Bible looks like. To look at the faces and body language of the attendees on Saturday & Sunday, would sadden anyone. But by Thursday and Friday one wouldn't think they are the same people. Compassion, love, proper instruction, and The Holy Spirit teamed up to produce the life changing results. The evening Bible Study is but a very small part of how Our Lord permeates those who are ready to get their lives back. All those who volunteer there thank the ones who pray for the success of that program. Let us all continue to volunteer at Detachment events—to demonstrate "pure religion" to each other, and our community.
