January 7, 2022

Dear Neighbors:

We at Village Hall would like to start off by wishing everyone a very happy and healthy New Year. I am sincerely hoping for a kinder, gentler 2022 as I believe we have all had enough of the difficulties and challenges surrounding 2021. As such, I sincerely wish all of our residents, family and friends the best for the year to come. Stay safe, healthy and rest assured that the Board is working relentlessly in our support of the overall welfare and prosperity of our community.

The next meeting of the Board of Trustees will be held on **Tuesday, January 11, 2022 at 6:00 p.m. via zoom**. Please contact Village Hall for the zoom information if you would like to join our meeting.

In addition to our regular monthly business, there will be a public hearing on the tentative Village budget for fiscal year 2022/2023. **We are pleased to report that the amount of the tax levy to be collected remains the same as last year.** My compliments and thanks to the village board for their vigilance in actively managing expenses and operating in a fiscally responsible manner. We have always made it a priority not raise village taxes and have only done so rarely and for the most extreme circumstances throughout my tenure in office. Copies of this budget are available upon request at Village Hall.

I would like to note that we are getting many complaints about pet waste that is not being cleaned up on our village streets and being left on neighboring lawns and properties. This is not only unsanitary, but disrespectful and illegal per village code. Please be sure to clean up after your pet as I urge fellow residents' to record, report and issue complaint against offenders who will be actively prosecuted to the fullest extent of the law.

We hope you can join us on Tuesday evening and look forward to your participation. Once again, Happy Holidays and thank you for being a part of the Woodsburgh community.

Very truly yours,

Lee Israel
Mayor
