JACOB HARMAN, MAYOR

August 17, 2023

Dear Neighbors:

This month's meeting will be held on Monday, August 21, 2023 at 7:30 p.m. at Village Hall and we hope to see you there.

With Hurricane season upon us, please take a moment to review the condition of the trees on your property. Arrangements should be made to remove any damaged or diseased trees as well as limbs and shrubbery that overhang the Village roadways, particularly at the corner intersections. As school will soon be in session, a clear visibility triangle and ample standing area is critical for our children's safety while waiting for the bus.

National Grid will be moving on to the next phase of the upgrading project and will be reaching out to homeowners to make the connections from the homes to the new system. You will be notified in advance so that you are not inconvenienced.

I hope you are enjoying your summer and as always should you have any questions or concerns please don't hesitate to contact Village Hall.

With Best Regards,

Jake Harman,
Mayor
