Dear Neighbors:

This month's meeting of the Board of Trustees will occur on **Monday, May 23, 2022 at 7:30 p.m.** at Village Hall. In addition to our regular monthly business, there will be a public hearing regarding the Village's Storm Water Management Program annual report.

With summer approaching, some will be doing construction on their homes. Please note that construction and landscaping is not permitted before 8AM on weekdays and Saturdays and no work is allowed on Sunday. Please be sure to notify your contractors and service providers accordingly of these regulations. Landscapers are required to have a permit to work in the Village. Please be sure to advise your landscaper. Permits can be obtained by stopping into Village Hall Monday to Friday 8am to 4 pm.

To make the Village even more beautiful, the Village will be hanging flower baskets around the Village late May.

With safety being our biggest concern, the Village has decided to install a speed hump on one of our Village Roads as a test to try to slow down the speeding that has been occurring throughout the Village.

Be sure to vote at the upcoming Village election, Tuesday, June 21, 2022 at the Keystone Yacht Club between the hours of 12 Noon and 9:00 p.m. We look forward to seeing you there.

Hon. Lee. A. Israel, Mayor
