## LOSING CONTROL..?

Right now we are living in a time when majority of us feel like we have no control in our situations with everything that is going on in the world around us. We have been pushed out of our normal routine, schedules and daily tasks. These things that were once taken for granted are now the things we want to do the most. It is easy to fall into feeling like we have no control anymore. But, during this time God wants to remind us that there are still many things that we can control on a daily basis.

In Philippians 4:4-7, it is a great reminder of this, we can see four different things just within this verse that that we have the ability to control.

Things that we can control include-

- Our Joy
- Our Prayer
- Our Mind
- Our Living

During these times of many unknowns, remember that we are the only ones who are able to control these four aspects in our lives. We are the ones that can look for the little things that bring joy to our own lives. We are the ones who can control our prayers and how often we do it. We get to control what goes into and out of our minds. We are the only ones who can control how we live out our days to come. Remember that God is still good yesterday, today and tomorrow! He has us in the palm of His hand through this situation and will not leave us now!

## A NOTE FROM THE FOUNDER...

With all that is occurring in our country today, we at The Isaiah Connection remain committed to what God has called us to do as an organization, which is to connect people around the world, serving together, to make a difference. We may not be able to go into the field at this current time due to COVID-19, but this situation is not stopping us from connecting with the people we love at our sites and their communities. How are we doing this... through pray and giving! You can give by donating through our website or via mail to The Isaiah Connection PO Box and you can drop us a line to find out what the prayer requests are for our different locations. God Bless and remember Galatians 5:13- "For you were called to freedom, brethren; only do not turn your freedom into an opportunity for the flesh, but through love, serving one another." – Joe Burton

## OUR FEATURED PARTICIPANT...

Name: Leslie, M. Traveled from: Minneapolis, MN

Site & Year Participated: Honduras, - 7 Years (between 2008-2020)

I chose Honduras because I had been to this country once before and really enjoyed the people. The relationships over the years are one of the many reasons I continue to return. Over the years we've done many activities ranging from building homes, speaking on the radio, doing medical outreaches and teaching English. What I enjoy about these activities is working with the local church. We come alongside the members of the local church with the work the Lord is already doing in their community. It is a joy to be a small part in that work. It also is a joy to play with the children and see smiles on their faces. Life can be hard for many of them, but it is fun to see them play and smile. There are times I've been out of my comfort zone on these trips, but that is another reason I go on these mission trips. I'm not a public speaker, so to reach people with what I have to say on the radio is all God in those moments. It has been a blessing to occasionally meet those who have been reached by that ministry. I believe on every Isaiah Connection trip I have been on there has been mutual encouragement with the local church and our team. There may be a language barrier, but it is great seeing God's love transcend language barriers and cultural differences. To worship and serve the same God with our brothers and sisters of a different culture is a privilege on these trips. Lord willing, I hope to continue to return and make a difference in ways I may never know.

## PARTNERS IN THE FIELD...

Northridge- Church partner in MN-

Isaiah Connection is a partner who provides those of NorthRidge the opportunity to live out our value (serving God and each other, especially through the local church in the local community) for the glory of Jesus. We join IC in serving the local church in Honduras with Pastor Olman. Along with his congregation and the leadership of Fuente de Vida, together we serve the local community of San Jeronimo. We get to do this twice a year in January and July. NRF has served with IC since 2004. Individuals from NRF have gone into the mission field w/IC having served in Nigeria, Honduras, Maui, Craig and Metlakatla, Alaska. Because of IC more than 100 NorthRidgers have been given the opportunities to serve in missions.

### DID YOU KNOW?

The Isaiah Connection had two teams go to our Moloka'i location this year?

So, we had a total of 44 people in the Moloka'i mission field!

Did you know that Joe Burton was promoted to a full bird Colonel in January!

## A WORD FROM OUR SPORTS/REC DIRECTOR...

2020 is a year that people are looking at trying to see things as a big picture, hopefully with 20-20 vision. But what amazes me is that our earthly vision has nothing on what God's vision is for our lives. I am excited to see what else God has in store for all of our locations as teams continue to go into the field, as well as with the organization as a whole! I know His picture is far grander than what I can even imagine! I am expectant that this year will blow our minds! Especially now that we are going through a time in our life's that has blown us all out of our normal routines. I am praying that you all have been able to see God clearly working and moving amongst us while we are trying to get used to a new normal for a while! I am praying you all are doing well and staying healthy!

-Many blessings, Bekah
