September 2023 Newsletter**

Welcome back Ladies!

As always summer has gone too fast, so I hope you were able to enjoy each day. September brings cooler weather and the start of another busy club year.

A huge thank you to Lucille for hosting our picnic, and on her birthday!

The rummage sale was a success. Thank you to Kathy E and thank you to Colleen (and hubby) for opening your home for the sale. Thanks to all who donated and worked - the set-up, the sale and the clean-up , there was so much to choose from - we should all have very clean basements now!

Kathy L and her committee will be hosting the September meeting and program.

Cheri has chosen Saturday September 23 for our road clean-up day. We will meet at 9am at the museum.

For the GFWC National Day of Service our club would like to help at the Grace Welcome Center. I will have more information for you at the meeting but save Friday morning September 29 to help.

The auction committee is reminding everyone to be working on your baskets / items for the auction on October 18 at the IA invite your friends!

Enjoy the last of the summer weather and I hope to see everyone at the meeting on September 14.

Sue PPWC President

Thank you to everyone who was able to show up for pictures with Comfort 4 A Cause and the Pleasant Prairie Police Department for our joint project "Pleasant Prairie Cares". PPWC donated stuffed animals to this project that will be paired up with blankets from Comfort 4 A Cause and given to children by Pleasant Prairie Police Officers while out on calls.

Mark your calendars to volunteer at the Pleasant Prairie Fire & Rescue annual **Safety Day in the Prairie**. Fall Highway Cleanup is Saturday, September 23 @ 9:00a.m. We will meet at the Pleasant Prairie Historical Society on the corner of 99th Street & 39th Avenue. Please wear rugged shoes/boots and gloves (disposable gloves, reflective vests and litter bags will be provided by Pleasant Prairie Department of Public Works). Cleanup will take about an hour, and we can go out for a Dutch-treat breakfast after to celebrate.

In April 2023 we voted to make shower kits for GWC since they offer shower facilities for the homeless. Every month we ask every member to bring 2 of that month's item to the meeting for these shower kits and in March we will be able to assemble them. Our goal is to assemble 50 shower kits. September's item is **deodorant** for either men or women. Everything can be found at Dollar Tree. Participation in this drive is optional, **no one is required to participate**.
