

Criteria and Procedures for Selection and Awarding Honorary Degrees

Honorary Doctorate

When you minister to people without a degree behind your name, people tend not to take you seriously. That's why at HCT we offer honorary degrees to deserving Christian leaders with biblical knowledge. This prominent degree gives you credibility, it is not issued for employment purposes, it is honorary, some employees may consider honorary degrees. An Honorary degree is not an earned degree; in which, you would have earned it by completing required hours and courses. This ecclesiastical degree is not intended to compete with a traditional academic or professional doctorate.
