

Candidate:

Alexandra del Moral Mealer

When a candidate comes from a 61.4% Democrat county in California (Sacramento County, Folsom CA)

When a candidate cancels or "no shows" 70+ candidate forum events

When a candidate's previous job story keeps expanding and getting more grandiose

When a candidate's last employer won't verify the candidate is eligible for re-hire

This is two of a seven-part series of the Mealer inconsistencies:

Part 2 - *The ever-changing slip sliding stories of Alexandra del Moral Mealer*

Alex Mealer with her then campaign manager at BIZPAC Bay Area Council announcing her participation in the BIZPAC County Judge Forum Jan 9, 2022. She announced it at other events and BIZPAC meetings as well.

2 days prior to the Feb 6th 2022 event, Mealer bailed out and made up a phony story to cover for it.

Alexandra del Moral Mealer has never answered a single job interview question for the office which she seeks.

Mealer already demonstrating the pattern of the perfect Career Politician, not a citizen representative:

- Appears Jan 9, 2022 at BIZPAC Bay Area Council announcing she's participating in BIZPAC Candidate Forum
- Confirms by Text Jan 10, 2022 she is participating the BIZPAC Candidate Forum
- Appears at other BIZPAC and grass roots events confirming her participation in the BIZPAC Candidate Forum
- Has several phone calls to go over the job interview questions for the Forum, each time having to get off the phone abruptly
- Texts in her quitting the Candidate Forum less than 48 hours of the event then pretends she never accepted our invitation and had another commitment

Mealer refused to be interviewed by the Assistant Deputy Director of the Department of Homeland Security under President George W Bush about the job of Harris County Judge being the liaison to the Dept of Homeland Security during disaster and emergency situations.

All other candidates gladly did so and on camera.

Terminated for cause?

Why was Mealer terminated from Wells Fargo abruptly in late 2021?

When we first met candidate Alexandra del Moral Mealer in early November 2021 she clearly announced that she was a VP of Wells Fargo Bank

Wells Fargo Bank N. A. will not confirm Alexandra del Moral Mealer is eligible for re-hire (several employment agencies have tried)

Mealer refuses to confirm she obtained Pre-Clearance, a term of employment as a bank officer

Wells Fargo Employee Handbook

For employees in the U.S.

Employee Candidacy or Service to Become a Public Official

Wells Fargo respects its employees' interest in running for or serving in public office. However, due to the breadth and scope of Wells Fargo's business activity, the potential for actual or perceived conflicts of interest between employment at Wells Fargo and running for or serving in public office are heightened. Therefore, pre-clearance is required prior to pursuit of or potential candidacy for any government or other public position or office, including as an elected or appointed official or as a member, director, officer, or employee of a government entity or governmental or public agency, authority, advisory board, city council, school board, political party committee, or other similar boards or entities. During the pre-clearance process, conflicts of interest and potential risk-mitigating conditions are evaluated. It is imperative that employees submit a pre-clearance request through the [Global Pre-Clearance System](#) (GPS) before they pursue, become, agree to become, or announce intention to become a candidate or appointee to a public office or position.

...political and civic activities? Yes, for certain roles and activities.

You must obtain pre-clearance:

- Prior to pursuit of or potential candidacy for any government or other public position or office, including as an elected or appointed official or as a member, director, officer, or employee of a government entity or governmental or public agency, authority, advisory board, city council, school board, political party committee, or other similar boards or entities — for example, county commissioner role, state pension board, or other similar role.
- Prior to paid or unpaid service or volunteering on a campaign where you have the ability to advise or influence the candidate or campaign team on strategy, policy positions, activities, and other matters related to the campaign or public office.
- For political contributions if you are considered a "covered employee" as defined in the Business and Personal Activities with Public Officials and Government Entities Policy (and you must follow the pre-clearance process specified in that policy).

You are not required to obtain pre-clearance for the following situations, unless pre-clearance is required by your business:**

- Participation in religious, community, or civic organizations.
- Service as a volunteer director, trustee, or other member of the board or similar governing body, or as a volunteer officer of a parent-teacher association, library board, or other similar civic organization, unless the organization is a customer of Wells Fargo and the financial services relationship is for more than deposit services, or your service involves selecting or influencing the selection of financial products or services.
- Unpaid volunteering with a political organization or campaign in which you do not provide any advice or have any influence on the candidate's campaign strategy, policy positions, activities, and other matters related to the campaign or public office — for example, handing out pamphlets, working phone banks, or driving voters to polling locations. (However, if you are considered a "covered employee" as defined in the Business and Personal Activities with Public Officials and Government Entities Policy, you are required to pre-clear in-kind donations of time and work.)

**Serving as a director of a publicly held company is generally discouraged and requires advance approval by Global Compliance Ethics Pre-Clearance (via GPS) and Wells Fargo's chief executive officer.

**Some employees are subject to additional requirements and restrictions, including pre-clearance, under their business policies and procedures relating to outside activities and personal investments. This may include employees employed in the brokerage, investment banking, investment research, advisory, trust, and investment management units, as well as senior officers who make or supervise fiduciary investment decisions, as applicable. Contact your respective compliance team with questions about specific laws or regulations that apply to your business, region, or country.

Of 131 Candidate Forums, Mealer has no showed or canceled over 70 times.
Vidal Martinez has gone to every possible Forum event. Over 130.

She's a California girl.

Mealer's home county
votes 61.4%

Democrat, one of the
highest in the state.

Most know her truth.

camillebunker You are a communist just like your grandfather. You are an elitist, Manchurian candidate and the people know it. You can even speak Spanish. Even Lee Harvey Oswald was a soldier, just because you served does not mean he was not a communist. Drop out now, we the Spanish speaking people are onto you.

The Never Ending Ever Evolving Story

In November 2021, when we first met Mealer, her Wells Fargo job claim was:

- Energy Business Analyst with Wells Fargo
- No direct reports, no employees, projects in the 10's-100's of millions

By March 2022, Mealer's job description has changed to:

- Vice President of Wells Fargo Energy Lending, Investment Banker
- Leading Billion-dollar Energy lending projects

That is some incredible job advancement for a person that was terminated late November 2022 for violating the terms of employment
