SALVATION TREE
School

GRADE K.G.

New Academic Session

The new academic session at Salvation Tree School commenced with great zeal and excitement, especially for our youngest learners in the pre-primary section. The school's administration, along with teachers and staff, orchestrated a warm and vibrant welcome to ensure that the students felt enthusiastic about embarking on this new journey of learning and discovery.

All About Me

Students of Kg class learned about self-awareness, their body parts and their usefulness. Children developed a positive self-identity through acknowledgement and praise of their personality traits.

Family Finger Puppets

Students worked on their gross motor skills and learned about different type of families, role of family members and their importance in our lives.

Earth Day

Earth Day was celebrated on April 22nd to raise awareness about our planet earth and promote action to protect the environment and combat climate change.

Drawing Activity

Students learned to draw their face and recognize facial expressions for their social -emotional development.

Traffic Rules Awareness

Students learned about traffic signal signs and recognized the different parts of the road and knew how to behave on each. They learned how to cross the road safely, while showing behaviours in and around a vehicle.
