Sunday, September 3rd will be the last **Lake Church** service for this season. Rev. Ronnie Blackwell has shared with us again this summer, touching the lives of campers and neighbors alike. Join in the fellowship at 8:30 a.m. under the Moon pavilion. We have a good group in attendance each Sunday morning. Let's have the biggest group yet to end the year. We look forward to having Rev. Blackwell back for 2024.

Ladies' Lunch & Bingo – Thursday, September 28 at Lighthouse Pizza Subs & More. Pizza and salad buffet begins at 11:00 am with bingo at noon. Vendors will be showing and selling their wares during the entire event. Great prizes for the bingo winners.

We have an abundant supply of **campfire wood** at Lighthouse and at Moon. The cool evenings are perfect for campfires and s'mores. Please remember, never leave your fire unattended and never burn trash in your fire rings.

Thank you for helping to keep the **dumpster** trash under control by only putting household trash in the dumpsters. We appreciate your cooperation with this.

SCDNR has published the new rules and regulations for 2023-2024. The new rules and regulations are available at both parks.

According to DNR - **channel catfish** will bite well in August from shallow to deep water. Cut herring, shrimp, or dip baits will all work. Flathead catfish can be caught at night on live bream or perch.
