HOW'D HE DO THAT?!

FORCED PERSPECTIVE.

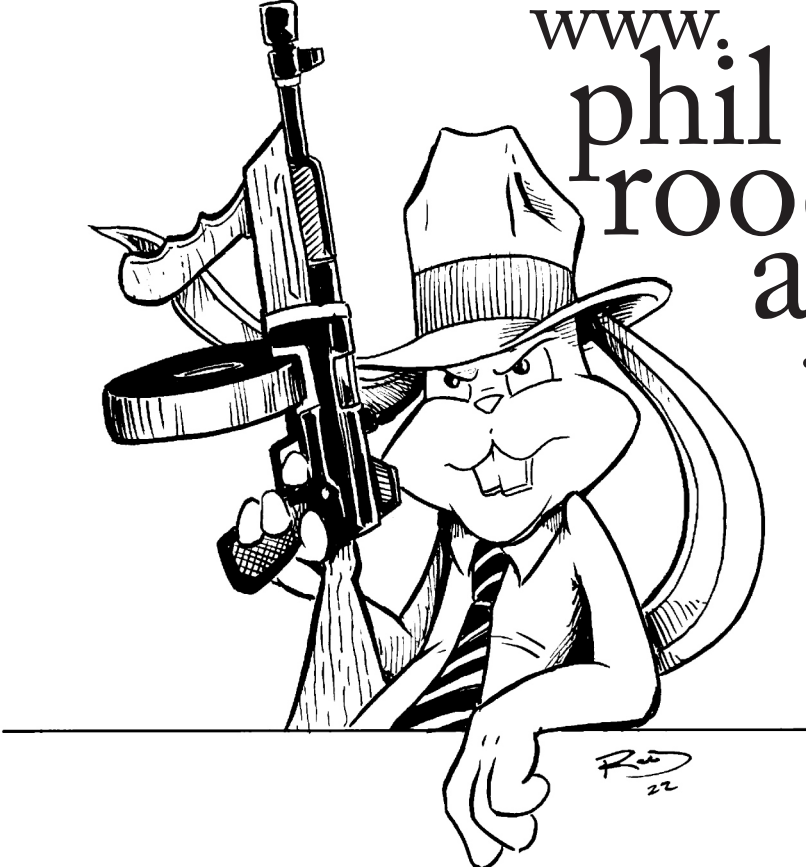

Phil Rood

is an artist, writer,
podcaster, amateur
musician, cat dad,
and opionated jerk.

He lives his life as a
First Person, but
speaks of himself in
the Third Person.

He is left handed
but writes on the
right side of the
page... or is that
'rights on the write
side of the page'?

Whatever the case,
he's a guy who
makes things like
the comic you just
read... but you
already knew that.
