

Monthly Newsletter

March 2020 

It's been another awesome month at our center with new children and families joining us in all ages. We are all excited to be inching closer to spring and for the warmer weather and green to come back.

Preschool/Kindergarten spent the month exploring dinosaurs. With our expanding loose parts materials the children are able to dive into excellent play sessions and build things like above, a boat! We also are expanding and diving deeper in our circle times, our various tools used for the children's social/emotional development and in March this class will be learning about all things related to the topic of cooking!

Our Toddler classroom has had a fun month exploring all things Farm related, doing dance parties on the days it's been too cold to go outside and in celebrating a couple birthdays. We are just about to go on a journey learning and exploring the topic of Community Helpers, starting with Fire Fighters!

February was such a fun month and it's exciting to see the kids in the classroom growing. We explored farm animals and dinosaurs. We also had fun celebrating Valentines, diving into many neat sensory bins, and making new friends.

Nutrition Resource

Here is a great one page resource around family nutrition for the month of March made by Alberta Health Services:

<http://bit.ly/nutrition2000>

There are printed copies in the parent resource center on the main floor for you to take.

Good Food Box

We recently started a partnership with the Good Food Box project. There are 3 sizes of affordable fruit/veggy boxes available for purchase. There are pamphlets in the parent resource center with all relevant information. Please let us know if you are interested! Orders are done through us and delivered to the daycare for your pick up monthly.

Reminders/Special Dates

- ✚ March 16th-St Patrick's Day activities day in all classes.
- ✚ March 25th-Kinderstudios special guest for all classes-Tiny Tots and Kinder Robotics sessions. See the calendar in Himama for more info!
- ✚ April 9th 3-5pm-Easter Hop- is our next Center-wide Family Event. We want to give you lots of notice so that we can all have some coffee and participate in some fun activities with the kids together.
