November 2020

Thank you to all the families who provided family pictures for our Family Trees in each classroom. If you have not sent one in yet please do and we will post it in your child's class. We have most pictures up there and the children are loving being able to show each other their loved ones and to say a quick hi when they miss Mom and Dad. Thank you also to the families who have given us 5-star reviews on Google and Facebook and sent new families here for tours. We greatly appreciate the support and these are go-to research points for new families looking for care and education for their kids.

In October, in our Infant classroom, we explored Pumpkins, Thanksgiving and Halloween. We did lots of fun art, as pictured below, had lots of great play sessions outdoors, and the children are loving circle time activities with the larger group of children. Songs, reading, and lots of movement activities to music are their favorite!

In Toddler last month we explored Autumn, Animals and Halloween! We had exciting indoor snow sensory bins, shaving cream animal explorations, bird art, and learned all kinds of animal signs in sign language. The children especially loved the many sensory experiences hosted by our Teachers in the classroom related to their learning topics.

Our mixed Preschool/Kindergarten classroom we had so much fun learning about Fall, Thanksgiving and Halloween. The children are loving the Halloween exploration and learning through songs, table activities, art, and dramatic play. They have helped decorate the classroom for Halloween, learning to care for and take pride in their environment as well as contribute to larger projects. They have also enjoyed snow angels, learning emotional expression through circle time, and continue to work on their math/science/social skills through constructive building in their favorite section of the class- the blocks center.

Special Dates/Reminders

- November 6th-Bison day
- November 10th-Remembrance Day center day
- November 11th-Remembrance Day STAT-Center closed
