

JOIN OUR **D-DAY** 80th Anniversary Tour
with historian and bestselling author Ted Barris

Departure: May 15-26, 2024

Join historian & bestselling author Ted Barris and Jayne MacAulay as we visit the famous beaches where Canadians stormed ashore in Normandy 80 years ago to begin the liberation of Europe in 1944. Our trip also returns to Dieppe, scene of Operation Jubilee in 1942, and then to historic sites of the Great War, including Vimy and Beaumont-Hamel in France, and finally Canadian battlegrounds and memorials of the Ypres salient (Cloth Hall, Essex Farm, Vancouver Corner, Menin Gate and Passchendaele).

To avoid anniversary crowds and to ensure that our travellers get the most from the tour, our D-Day 80th Anniversary Tour will run from May 15-26, 2024, just prior to the busiest D-Day anniversary first week of June. By visiting in May 2024, we'll ensure our group enjoys a more leisurely trip with better access to these iconic locations.
