## A Talk with the Padre

December 2023

From Bob & Ann Wiebe

As we are very near the celebration of our Lord's Birth in that lowly part of the world, we are reminded that His coming literally changed the trajectory of humankind, and we pause in gratitude for His coming. John 3:16, "For God so loved the world that he gave his one and only son"

So, what's been happening in our lives since the last time we provided an update? Sometimes we think it's been simply much of the same, and yet when we stop to think about that we realize "not so."

We have had an eventful year, and while this update may not be in chronological order, which surprises even Bob, here goes.

In April we welcomed the arrival of our 6<sup>th</sup>. Great Grandchild, Riley, who was born to Josh and Sephora in April. She is a doll, and is now crawling and getting around pretty good. Josh continues in his career in the Canadian Military, and we so much enjoy this family who are stationed here in Edmonton.

In May we drove to Victoria to attend the Celebration of Life Service for our brother in-law Ron, sister Ruth's husband. Ron had been active until just weeks before he passed away. He golfed and played hockey on his 90<sup>th</sup> birthday.

Then in June we headed to the Dorothy Lake area in Manitoba for Ann's sibling reunion which takes place bi-annually. While in Manitoba we connected with Eric and his family who farm in the Kilarney area. We were also able to connect with Tytan and Coral who live in Winnipeg. In Sept. we travelled back to Victoria and spent an awesome 8 days there. Ann's sister Irma was visiting in PEI, and graciously gave us the use of her condo for the time we were there.

In Sept. Darin & Michelle paid a visit to Edmonton, and while we would like to say it was primarily to see us, the truth is their priority was meeting their granddaughter, Riley.

In November Bob made a weekend trip to Moosejaw, Sask. Where he met his good friend Steve who traveled up from Niverville. They spent some time together and drove out to Caronport and hung out with another one of Bob's dear friends Wayne Boldt.

It seems as we age, we say goodbye to more friends than we care to. Another family we have known since moving to Edmonton, were Jake and Trix. Jake passed away following a courageous battle with cancer.

We continue to enjoy interacting with two of our three children who live in this area, and of course the grandchildren that live here. Each year our family grows, as grandchildren find their soul mates. Bob continues to spend as much time with Jack as he can. Jack has

## **A Talk with the Padre**

developed by an incredible work ethic, into a very good swimmer and swims competitively. So, regularly we attend Swim Meets, and see a split second of his dive into the water, and then watch him come up again sometimes seconds later, depending on the stroke and length of that swim. While we enjoy attending these swim meets, one best not be even a minute late.

Grace and Daniel (Stephen & Jessica's children) come over for regular sleep overs and we enjoy this stage of life with them, knowing that it does not last long. Grace is in Soccer so many Saturdays, finds us at the soccer pitch, which fortunately is inside.

Age is creeping up on us, and in November Bob turned 80, and Ann is not far behind. He continues to serve as the Padre for the Royal Canadian Legion, and officiates at Funeral Services in his capacity as a Funeral Celebrant, and serves on the Condo Board for the complex we live in. Bob's church involvement is limited due to these outside ministries, but he volunteers as the Greeter for Alpha which Beulah Church is very much involved in, and finds great satisfaction in this role. Says it the most fulfilling ministry he has had in a long time. Taunja suggested that is the Christian version of a Walmart Greeter! Since Bob is gifted at making conversation with anyone, he was very much appreciated in this role.

Ann continues to volunteer at church, and leads a Women's' prayer group which meets weekly as well as other helping ministries Beulah offers. She also takes part in a book club who have continued to meet on Zoom; something that began during Covid and works well since the ladies are scattered throughout this big city.

We both remain physically active and are enjoying this stage of life, even sleeping in from time to time and not feeling guilty.

We continue to build into the lives of a number of people who have made Canada Home, as well as having Viktor a Ukrainian Refugee staying with us for a time. Our lives are enriched as we learn of other cultures, and their challenges in adjusting to Canadian life. This involvement is both enriching for us and allows us to be helpful to them. In January we expect Bob will be officiating at a wedding ceremony in our living room for one of these couples who are from India.

Well friends, that is the high points of our year. Have a Great Christmas and anticipate the New Year.
