Connecting Routes Interactive Trail

Connect yourself with nature as you travel around Now Northwich on the 'Connecting Routes' Interactive Trail. Follow the route around the town centre, taking part in creative activities as you go. Collect the stamps and complete all the stations for your chance to **win a prize!**

Begin the route at any of these Nature Stations:

TULIP STATION

River Park

Family-friendly arts and crafts workshop inspired by Ella Mesma's performance "Rainbow Butterfly", where you can design your own butterfly.

EVERGREEN STATION

Opposite The Entertainer

Create a freeze frame image of something from nature with your friends and family (or, as a challenge, by yourself!) using your body to be as creative as you can.

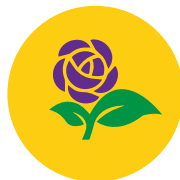

SEED STATION

Witton Street (Outside Library)

A wonderful 'World of Workshops': Hip Hop and Juggle Jams with Simple Cypher at 2.30pm and 4.00pm and drop-in workshops.

ROSE GARDEN STATION

Apple Market Place

Head to Apple Market Place to leave a positive message on a Now Northwich ribbon. Shout about someone special, share a memory, express yourself ... the choice is yours.

LILIPAD STATION

Weaver Point

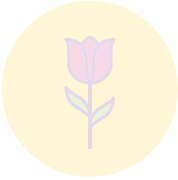

How are themes of community, connection and nature expressed with movements? Watch a series of performances from Cheshire Dance groups at 2.30pm.

See over for the trail map and to collect your stamps!

STAMP STATION

Collect all 5 for your chance to **win a prize!**
Hand the completed stamps in at any station.

**TULIP
STATION**

River Park
